Language Holidays

What's the best way to improve your English? Come and immerse yourself in the language, while having fun and making new friends!

Accent Language School has been welcoming students to Guernsey since 1990. Students stay with our friendly host families, make lasting friendships and great memories all while learning English and experiencing the Guernsey way of life!

Programme

In the mornings, students have their lessons in small groups, with our fully qualified teachers. During the afternoons, students can enjoy our long list of activities as well as exploring the beautiful beaches, countryside and the many historical places Guernsey has to offer.

Guernsey is the ideal place for your son or daughter to learn a high standard of English in a safe, fun and stimulating way!

Activities

All of Accent's programmes include morning classroom based lessons, followed by afternoon social and leisure activities.

Activities can include golf and minigolf, beach games, surfing, multi-sport days, beach bbq, visit to Herm island, rib voyage, shopping, fish & chips, cricket, paintballing and more...!

Tailor-Made

Perhaps you would prefer to have one-to-one English tuition, or to focus on a particular activity in the afternoon. If so, let us know and we'll create something to suit your child's needs.

Work Experience

For students who are 16 and 17 years old we are offering the opportunity to have work experience instead of activities.

“I had the most amazing summer, with Accent!”

- Maria, aged 12

Accommodation

Host family accommodation is full board, including breakfast, a packed lunch and an evening meal each day. Special diets can be catered for on request (subject to a surcharge).

Students will be collected from the Airport or Harbour on arrival and taken there to return. They will also be given a bus card to travel by bus each day, if needed.

Hosts can be located all around the island and are diverse with hosts ranging from couples, singles, retired people, families with children and one parent families.

Junior students will usually be in a shared room with another student(s) of a different nationality (unless otherwise specified). Juniors aged from 12 years old and younger must share with a sibling, friend, or another student who is also taking a course with Accent Language School.

Safety

Student welfare is always our main priority and we have both Welfare Policies and Child Protection Officers in place. All of our staff and host families have extensive police checks and we follow the guidelines of the Accreditation Body of Language Services. Our activity providers offer qualified instructors who have a wealth of experience making sure everyone enjoys the activities in a fun and safe way.

Prices

Every year, students aged from 11 - 17 come and stay with our friendly and helpful host families, who give them the opportunity to experience the culture, language and family life, while providing them with food, accommodation and support.

Language School Prices Include:

- Weekday tuition (3 hours per day from Monday - Friday)
- Activities and supervision (4 hours per day from Monday - Friday)
- Host family accommodation (Sunday - Saturday)

Travel Insurance

Although we do our best to ensure an enjoyable and safe stay for all of our students, we are unable to offer insurance cover at this time. Guernsey is not part of the EU, therefore it is strongly advised that students acquire valid travel insurance, which covers health and medical care, accidents, luggage and possessions etc for the duration of their stay. A copy of the travel insurance policy should be submitted to Accent prior to arrival.
